GENERAL INFORMATION

Presentation Guide

All presentations are made in English. The main lecture room (CONGRESS HALL) is located on the first floor near the dining hall. The small lecture room (HUNTIG SALON) is also located on the first floor, not far from the Congress Hall.

The time schedule for session talks are scheduled for 30 minutes including 10 minutes for discussion. The presentation should be prepared in either Adobe Acrobat PDF file format or as a Microsoft Power Point presentation. Please upload your presentation to the presentation computer 15 minutes before the beginning of the session. You can use your own computer for presentation if it is necessary (please contact the conference organizers for assistance).

Meals

Breakfasts, lunches and dinners will be served at the dining hall in the first floor, near the main castle staircase. Serving time can be found in Conference programme.

Refreshments during coffee breaks will be served in the lobby at the main lecture room in the first floor. Individual refreshments can be purchased in the bar in front of the main dining room (opened each day till 21:30).

Internet Access and Facilities

There is a free WiFi internet access in the Smolenice Castle. There will be a printing service available for the participants
