

# Curriculum Vitae

**Name and surname:** Saleh Mothana Obadi

**Citizenship:** Slovak

**Academic title:** Professor

**Email:** [ekonbadi@savba.sk](mailto:ekonbadi@savba.sk)

**URL:** <https://mothana.wixsite.com/obadisaleh>

**Researchgate:** <https://www.researchgate.net/profile/Saleh-Obadi>

## **Education:**

- **April 1998:** Ph.D. degree at the University of Economics in Bratislava, Faculty of Commerce, at the Department of International Trade and the Department of Trade Diplomacy ,
- **September 1993:** Master of Science (MSc.) at the University of Economics in Bratislava, Faculty of Commerce.

## **Summary of relevant work experiences**

- **Research Fellow:** Institute of Slovak and World Economy, Slovak Academy of Sciences (since August 1997).
- **Senior Research Fellow:** Institute of Economic Research, Slovak Academy of Sciences (since November 2003). [www.ekonom.sav.sk](http://www.ekonom.sav.sk)
- **Adjunct Faculty Member:** University of Economics, Bratislava, Slovakia (since October 2004). Tutor: Economic and trade policies of developing countries (for 4th year students).
- **Guest lecturer:** University of Economics in Bratislava, Slovakia (since 2003 - for MSc. and PhD. students).
- **Director of the Institute of Economics and management at the University of Economics in Bratislava (2013)**

## **Research projects**

### **Principal investigator:**

- 1. The external trade between Yemen and the European Union and the USA. Time of solution: 2005.**
- 2. The impact of the international financial and economic crisis on the development of economic relations between Yemen and the EU and the USA. Solution period: 2012.**
- 3. Economic and geopolitical contexts of the changing global energy scene and their implications for the position of the EU in the global economy, VEGA no. 2/0005/16.**
- 4. Global economy and the problem of energy security: Implications for the European Union, VEGA no. 2/0009/12.**
- 5. New trends and phenomena in international trade, foreign investment, migration and competitiveness: implications for the enlarged EU. Solution period: 2006 – 2008, VEGA no. 2/6050/6.**
- 6. Economic and geopolitical contexts of the changing global energy scene and their implications for the position of the EU in the global economy. VEGA No. 2/0007/19. 2019-2022.**

### **Co-investigator:**

- 1. Capital flight and its consequences for the Slovak economy, APVV-15-0666.**
- 2. Investigation of the effects of post-crisis development on the strategic direction of the EU with an emphasis on energy policy, VEGA no. 1/0826/12.**
- 3. Determinants of EU energy policy and their impact on the competitiveness of the Slovak economy during the economic crisis, VEGA 1/0771/10.**
- 4. Dynamics of new sources of growth performance and competitiveness in the context of a knowledge-based economy: theoretical knowledge and empirical findings, VEGA no. 2/0080/09.**
- 5. Convergence and divergence in integration and globalization processes in the world economy: implications for the Slovak economy. Solution period: 2003-2005.**
- 6. The impact of information technologies on economic growth and employment: Theoretical and empirical perspectives (with an application to the effects of the**

**commercial model in Microsoft Slovakia on the Slovak economy). Time of solution: 2004.**

**7. Economic and social contexts of Slovakia's integration into the European Union. Time of solution: 2003.**

**8. Economic and social context of the entry of the Slovak Republic into the European Union. Time of solution: 2002.**

**9. Competitiveness in international trade and the position of the Slovak economy. Solution period: 2000-2002.**

**10. The world economy, the new development stage of the EU and the prospects for the entry of the Slovak Republic into the EU. Solution period: 1997-1999.**

**11. Environmental Diplomacy and Geopolitics (EDGE), Horizon 2020, Grant Agreement 692413 ( 2016 – 2018).**

## **Other academic and organisational activities:**

- **Member of the Council for Social Sciences, Slovak Research and Development Agency, Slovak Ministry of Education (2018- current)**
- **Member of committee of Science Grant Agency for Legal and Economic Sciences, Ministry of education and Slovak Academy of Sciences. ( 2018-2022).**
- **Member of Editorial Board of Economic Journal (Ekonomicky casopis), Slovak Academy of Sciences. (2013-current)**
- **Member of the "World Economic Survey" economic experts for the Ifo Institute for Economic Research, University of Munich, Germany, who present monthly expert information on the macroeconomic situation in Slovakia. (2007- current)**
- **Chairman of the Scientific Board of the Institute of Economic Research of Slovak Academy of Sciences.( 2013-2017)**
-

## **Significant awards:**

- **Prize of the Literary Fund of the Slovak Republic for scientific and professional literature for the year 2012 in the category of social sciences: for the work "Development and perspectives of the world economy: between stagnation and revival".**
- **Prize of the University of Economics in Bratislava for extraordinary publication outputs in 2016 in the category Scientific works in domestic quarantined journals for the article "Drivers of CO<sub>2</sub> Emissions in the Slovak Economy: the Logarithmic Mean Divisia Index Approach of Decomposition".**

## **Fellowship:**

- **The award of Andrew W. Mellon fellowship for East and Central Europe and awarded by the American Institute for Yemeni Studies, Washington D.C. USA (2005).**
- **The award of Andrew W. Mellon fellowship for East and Central Europe and awarded by the American Institute for Yemeni Studies, Washington D.C. USA (2010).**

## **Other academic activities:**

**Supervised more than 9 graduated PhD. Students and more than 50 graduated MSc. students.**
